*March 26, 2003
10 am - 2 pm*

*PG&E's Pacific Energy Center
851 Howard Street
San Francisco*

Pacific Gas and Electric Company, San Diego Gas & Electric Company, Southern California Edison Company, and Southern California Gas Company are sponsoring a public workshop to obtain public comment on the draft final report for the PY2001 Low Income Energy Efficiency (LIEE) Program Evaluation. The evaluation entailed both a

process and impact evaluation of the PY2001 program with emphasis on the Rapid Deployment efforts and measures. The draft final evaluation report includes two parts: the process evaluation report and the impact evaluation report and will be sent electronically to parties on the service list for R.01-08-027 and A.00-05-002, the newly created service list for the consolidated Annual Earnings Assessment Proceeding (AEAP), no later than March 19, 2003. The workshop presentation will highlight key results addressed in both parts of the draft final report, but since the preliminary study findings and the basic study approaches were discussed in detail at the public workshop held in August 2002, this workshop will be dedicated, primarily, to soliciting and obtaining public comment on the information contained in the written reports. Interested parties can offer comments at the March 26, 2003 workshop as well as submit written comments on the report through March 31, 2003 (send to Angela.Jones@sce.com).
